Spiritual Health—Bring Me Your Weakness

BRING ME YOUR WEAKNESS, and receive My Peace. Accept yourself and your circumstances just as they are, remembering that I am sovereign over everything. Do not wear yourself out with analyzing and planning. Instead, let thankfulness and trust be your guides through this day; they will keep you close to Me. As you live in the radiance of My Presence, My Peace shines upon you. You will cease to notice how weak or strong you feel because you will be focusing on Me. The best way to get through this day is step by step with Me. Continue this intimate journey, trusting that the path you are following is headed for heaven.

The Lord gives strength to his people; the Lord blesses his people with peace.
—Psalm 29:11

“The Lord bless you and keep you; the Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace.”
—Numbers 6:24–26

But I trust in your unfailing love; my heart rejoices in your salvation.
—Psalm 13:5

One of the new games being played here at Winterset is 9 Square in the Air. It is a great group game for all age groups: kids, teens and adults. Hours of fun! It's like the game of 4-Square, but with 9 Squares above your head! Simple rules: You get one hit to send the ball out the top of your square, into any other player's square. Come join the fun on Wednesdays at 3:30 PM and Saturdays at 10 AM.

Staff from the South Florida Museum recently used the kayak launch facilities at Winterset to gather water hyacinth. These plants will be used to feed the rescued and orphaned manatees at the Museum. An added plus is that the water hyacinth is an invasive plant, so it is a win-win to take it to feed the manatees.

HISTORY OF NEWBY'S STRAWBERRY SOCIAL

As February rolls around, strawberries are coming into season. We here at Newby Management are getting ready for our beloved Strawberry Socials. We are preparing to undertake 30 different Strawberry Socials all across the state of Florida and will travel hundreds of miles to serve our residents. This might leave some of you wondering why Newby Management does Strawberry Socials.

Here at Newby Management, Strawberry Socials are a tradition that stretches back many years, starting in our founder's childhood. Martin Newby grew up farming in Iowa. At the end of the season, his parents would invite the neighbors over, who brought homemade ice cream, and they would share their home grown strawberries. Just like that, the first Newby Strawberry Social commenced on a front lawn in Iowa.

Once Martin started Newby Management, he was always looking for great ways to provide exceptional customer service to the residents. Thinking back to his years in Iowa, he sought to recreate the Strawberry Socials of his youth. Now, all these years later, we still continue to serve strawberries to our residents. We here at Newby Management have a Strawberry Social season. Every year we look forward to engaging with our residents and serving delicious strawberry shortcakes that have been perfected over the years.
